

The Capital Area Health Alliance, in collaboration with the Community Mental Health Authority of Clinton, Eaton and Ingham Counties, the Ingham County Medical Society and the Michigan State University College of Nursing, presents:

Integrating Physical Health and Behavioral Health Services

A CAHA Forum addressing community collaboration to facilitate the integration of physical health, mental health, substance use and wellness and prevention services in the Capital Area Region

Wednesday, September 19, 2018

Eagle Eye Conference Center

15500 Chandler Road, Bath Township, MI

Registration and breakfast: 7:30 am to 8:15 am • Program: 8:15 am to noon

Forum highlights

- ◆ Presentations about Integrative Care Models, featuring discussion of the conceptual basis for integrated care, review of findings of an annual study of integrated care in Michigan, and an overview of viable models to coordinate and integrate services in the Capital Area Region.
- ◆ Panel discussions with providers about experiences working in sites where integrated models are in place, caring for patients with dual diagnoses, addressing complex needs of elderly patients, and providing whole-person care without behavioral health resources.
- ◆ Facilitated participant discussion about how the Capital Area Region can promote integrative care: What can be done as a community that cannot be done by a single organization?
